

USE OF COMPUTERS AND PERSONAL ELECTRONIC DEVICES

Law Library public computers are reserved for legal research and access to the online catalog. Peripheral devices (printers, CD-ROM drives, cameras, keyboards, scanners, etc) may not be attached without prior authorization.

Public computer use is limited to one hour per session. If no users are waiting, a second session may be requested. Users may only access public computers using their own library card. To request your library card, please ask any staff member to assist you. Accessing the library computer system, programs or data without authorization is prohibited.

Personal electronic devices may be used in the library provided such use does not disturb other users or take up excessive space or electrical capacity. Personal electronic devices including but not limited to computers, copiers, scanners and printers may be used only if they do not exceed 1.5 amps or a footprint of 2 square feet, make no noise audible to other patrons and pose no other hazard or obstacle to use of the library by others. For example, laptops and silent hand-held scanners are generally permitted, while full-size personal computers and scanners are generally not permitted. Due to a very limited number of electrical outlets each user should not connect to more than one outlet at a time.

Opening emergency exits (except in emergency situations), entering unauthorized or off-limit areas of the library, remaining in the library after closing or during emergency drills or evacuations is prohibited and may result in immediate suspension of library privileges

FAILURE TO COMPLY

Failure to comply with library rules, the directives of library staff, or to cooperate with the staff in their enforcement of these rules may result in the loss or suspension of library privileges, including but not limited to temporary or permanent removal from the library premises.
