

(c) For the purposes of the State General Obligation Bond Law, any department receiving an allocation pursuant to this chapter is designated to be the “board.”

8879.28. Upon request of the board stating that funds are needed for purposes of this chapter, the committee shall determine whether or not it is necessary or desirable to issue bonds authorized pursuant to this chapter in order to carry out the actions specified in Section 8879.23, and, if so, the amount of bonds to be issued and sold. Successive issues of bonds may be authorized and sold to carry out those actions progressively, and are not required to be sold at any one time. Bonds may bear interest subject to federal income tax.

8879.29. There shall be collected annually, in the same manner and at the same time as other state revenue is collected, a sum of money in addition to the ordinary revenues of the state, sufficient to pay the principal of, and interest on, the bonds as provided herein, and all officers required by law to perform any duty in regard to the collections of state revenues shall collect that additional sum.

8879.30. Notwithstanding Section 13340, there is hereby appropriated from the General Fund in the State Treasury, for the purposes of this chapter, an amount that will equal the total of the following:

(a) The sum annually necessary to pay the principal of, and interest on, bonds issued and sold pursuant to this chapter, as the principal and interest become due and payable.

(b) The sum which is necessary to carry out Section 8879.32, appropriated without regard to fiscal years.

8879.31. The board may request the Pooled Money Investment Board to make a loan from the Pooled Money Investment Account, in accordance with Section 16312, for purposes of this chapter. The amount of the request shall not exceed the amount of the unsold bonds which the committee has, by resolution, authorized to be sold for the purpose of this chapter, less any amount withdrawn pursuant to Section 8879.32. The board shall execute any documents as required by the Pooled Money Investment Board to obtain and repay the loan. Any amount loaned shall be deposited in the fund to be allocated in accordance with this chapter.

8879.32. For the purpose of carrying out this chapter, the Director of Finance may, by executive order, authorize the withdrawal from the General Fund of any amount or amounts not to exceed the amount of the unsold bonds which the committee has, by resolution, authorized to be sold for the purpose of carrying out this chapter. Any amounts withdrawn shall be deposited in the Highway Safety, Traffic Reduction, Air Quality, and Port Security Fund of 2006. Any money made available under this section shall be returned to the General Fund, plus the interest that the amounts would have earned in the Pooled Money Investment Account, from money received from the sale of bonds which would otherwise be deposited in that fund.

8879.33. The bonds may be refunded in accordance with Article 6 (commencing with Section 16780) of the State General Obligation Bond Law. Approval by the electors of this act shall constitute approval of any refunding bonds issued pursuant to the State General Obligation Bond Law.

8879.34. Notwithstanding any provisions in the State General Obligation Bond Law, the maximum maturity of any bonds authorized by this chapter shall not exceed 30 years from the date of each respective series. The maturity of each series shall be calculated from the date of each series.

8879.35. The Legislature hereby finds and declares that, inasmuch as the proceeds from the sale of bonds authorized by this chapter are not “proceeds of taxes” as that term is used in Article XIII B of the California Constitution, the disbursement of these proceeds is not subject to the limitations imposed by that article.

8879.36. Notwithstanding any provision of the State General Obligation Bond Law with regard to the proceeds from the sale of bonds authorized by this chapter that are subject to investment under Article 4 (commencing with Section 16470) of Chapter 3 of Part 2 of Division 4, the Treasurer may maintain a separate account for investment earnings, order the payment of those earnings to comply with any rebate requirement applicable under federal law, and may otherwise direct the use and investment of those proceeds so as to maintain the tax-exempt status of those bonds and to obtain any other advantage under federal law on behalf of the funds of this state.

8879.37. All money derived from premium and accrued interest on bonds sold pursuant to this chapter shall be transferred to the General Fund as a credit to expenditures for bond interest.

The Department of Housing and Community Development shall provide for higher per-unit loan limits as reasonably necessary to achieve housing costs affordable to those individuals and households. For purposes of this subparagraph, "supportive housing" means housing with no limit on length of stay, that is occupied by the target population, as defined in subdivision (d) of Section 53260, and that is linked to onsite or offsite services that assist the tenant to retain the housing, improve his or her health status, maximize his or her ability to live, and, when possible, work in the community. The criteria for selecting projects shall give priority to:

(i) Supportive housing for people with disabilities who would otherwise be at high risk of homelessness where the applications represent collaboration with programs that meet the needs of the person's disabilities.

(ii) Projects that demonstrate funding commitments from local governments for operating subsidies or services funding, or both, for five years or longer.

(C) One hundred thirty-five million dollars (\$135,000,000) shall be transferred to the fund created by subdivision (b) of Section 50517.5 to be expended for the programs authorized by Chapter 3.2 (commencing with Section 50517.5) of Part 2.

These funds shall be available to the Department of Housing and Community Development, to be expended for the purposes of enabling households to become or remain homeowners pursuant to the CalHome Program authorized by Chapter 6 (commencing with Section 50650) of Part 2, except ten million dollars (\$10,000,000) shall be expended for construction management under the California Self-Help Housing Program pursuant to subdivision (b) of Section 50696.

(E) Two hundred million dollars (\$200,000,000) shall be transferred to the Self-Help Housing Fund created by Section 50697.1. These funds shall be available to the California Housing Finance Agency, to be expended for the purposes of the California Homebuyer's Downpayment Assistance Program authorized by Chapter 11 (commencing with Section 51500) of Part 3. Up to one hundred million dollars (\$100,000,000) of these funds may be expended pursuant to subdivision (b) of Section 51504.

(F) One hundred million dollars (\$100,000,000) shall be transferred to the Affordable Housing Innovation Fund, which is hereby created in the State Treasury, to be administered by the Department of Housing and Community Development. Funds shall be expended for competitive grants or loans to sponsoring entities that develop, own, lend, or invest in affordable housing and used to create pilot programs to demonstrate innovative, cost-saving approaches to creating or preserving affordable housing. Specific criteria establishing eligibility for and use of the funds shall be established in statute as approved by a 2/3 vote of each house of the Legislature. Any funds not encumbered for the purposes set forth in this subparagraph within 30 months of availability shall revert to the Self-Help Housing Fund created by Section 50697.1 and shall be available for the purposes described in subparagraph (D).

(G) One hundred twenty-five million dollars (\$125,000,000) shall be transferred to the Building Equity and Growth in Neighborhoods Fund to be used for the Building Equity and Growth in Neighborhoods (BEGIN) Program pursuant to Chapter 14.5 (commencing with Section 50860) of Part 1. (H) Fifty million dollars (\$50,000,000) shall be transferred to the Emergency Housing and Assistance Fund to be distributed in the form of capital development grants under the Emergency Housing and Assistance Program authorized by Chapter 11.5 (commencing with Section 50800) of Part 2 of Division 31. The funds shall be administered by the Department of Housing and Community Development in a manner consistent with the restrictions and authorizations contained in Provision 3 of Item 2240-105-0001 of the Budget Act of 2000, except that any appropriations in that item shall not apply. The competitive system used by the department shall incorporate priorities set by the designated local boards and their input as to the relative merits of submitted applications from within the designated local board's county in relation to those priorities. In addition, the funding

limitations contained in this section shall not apply to the appropriation in that budget item.

(2) The Legislature may, from time to time, amend the provisions of law related to programs to which funds are, or have been, allocated pursuant to this subdivision for the purpose of improving the efficiency and effectiveness of the program, or for the purpose of furthering the goals of the program.

(3) The Bureau of State Audits shall conduct periodic audits to ensure that bond proceeds are awarded in a timely fashion and in a manner consistent with the requirements of this subdivision, and that awardees of bond proceeds are using funds in compliance with applicable provisions of this subdivision. The first audit shall be conducted no later than one year from voter approval of this part.

(4) In its annual report to the Legislature, the Department of Housing and Community Development shall report how funds that were made available pursuant to this subdivision and allocated in the prior year were expended. The department shall make the report available to the public on its Internet Web site.

(b) Eight hundred fifty million dollars (\$850,000,000) shall be deposited in the Regional Planning, Housing, and Infill Incentive Account, which is hereby created in the fund. (A) No more than two hundred million dollars (\$200,000,000) for park creation, development, or rehabilitation to encourage infill development.

(B) Water, sewer, or other public infrastructure costs associated with infill development.

(C) Transportation improvements related to infill development projects.

(D) Traffic mitigation.

(2) For brownfield cleanup that promotes infill housing development and other related infill development consistent with regional and local plans.

(c) Three hundred million dollars (\$300,000,000) to be deposited in the Transit-Oriented Development Account, which is hereby created in the fund, for transfer to the Transit-Oriented Development Implementation Fund, for expenditure, upon appropriation by the Legislature, pursuant to the Transit-Oriented Development Implementation Program authorized by Part 13 (commencing with Section 50560).

(d) Two hundred million dollars (\$200,000,000) shall be deposited in the Housing Urban-Suburban-and-Rural Parks Account, which is hereby created in the fund. Funds in the account shall be available upon appropriation by the Legislature for housing-related parks grants in urban, suburban, and rural areas, subject to the conditions and criteria that the Legislature may provide in statute.

CHAPTER 3. FISCAL PROVISIONS

53546. Bonds in the total amount of two billion eight hundred fifty million dollars (\$2,850,000,000), exclusive of refunding bonds, or so much thereof as is necessary, are hereby authorized to be issued and sold for carrying out the purposes expressed in this part and to reimburse the General Obligation Bond Expense Revolving Fund pursuant to Section 16724.5 of the Government Code. All bonds herein authorized which have been duly sold and delivered as provided herein shall constitute valid and legally binding general obligations of the state, and the full faith and credit of the state is hereby pledged for the punctual payment of both principal and interest thereof.

53547. The bonds authorized by this part shall be prepared, executed, issued, sold, paid, and redeemed as provided in the State General Obligation Bond Law (Chapter 4 (commencing with Section 16720) of Part 3 of Division 4), except subdivision (a) of Section 16727 to the extent that it is inconsistent with this part, and all of the other provisions of that law as amended from time to time apply to the bonds and to this part and are hereby incorporated in this part as though set forth in full in this part.

53548. (a) Solely for the purpose of authorizing the issuance and

sale, pursuant to the State General Obligation Bond Law, of the bonds authorized by this part, the Housing Finance Committee created pursuant to Section 53524 is continued in existence. For the purposes of this part, the Housing Finance Committee is “the committee” as that term is used in the State General Obligation Bond Law.

(b) The committee may adopt guidelines establishing requirements for administration of its financing programs to the extent necessary to protect the validity of, and tax exemption for, interest on the bonds. The guidelines shall not constitute rules, regulations, orders, or standards of general application and are not subject to Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code.

(c) For the purposes of the State General Obligation Bond Law, the Department of Housing and Community Development is designated the “board” for programs administered by the department, and the California Housing Finance Agency is the “board” for programs administered by the agency.

53549. Upon request of the board stating that funds are needed for purposes of this part, the committee shall determine whether or not it is necessary or desirable to issue bonds authorized pursuant to this part in order to carry out the actions specified in Section 53545, and, if so, the amount of bonds to be issued and sold. Successive issues of bonds may be authorized and sold to carry out those actions progressively, and are not required to be sold at any one time. Bonds may bear interest subject to federal income tax.

53550. There shall be collected annually, in the same manner and at the same time as other state revenue is collected, a sum of money in addition to the ordinary revenues of the state, sufficient to pay the principal of, and interest on, the bonds as provided herein, and all officers required by law to perform any duty in regard to the collections of state revenues shall collect that additional sum.

53551. Notwithstanding Section 13340 of the Government Code, there is hereby appropriated from the General Fund in the State Treasury, for the purposes of this part, an amount that will equal the total of the following:

(a) The sum annually necessary to pay the principal of, and interest on, bonds issued and sold pursuant to this part, as the principal and interest become due and payable.

(b) The sum which is necessary to carry out Section 53553, appropriated without regard to fiscal years.

53552. The board may request the Pooled Money Investment Board to make a loan from the Pooled Money Investment Account, in accordance with Section 16312 of the Government Code, for purposes of this part. The amount of the request shall not exceed the amount of the unsold bonds which the committee has, by resolution, authorized to be sold for the purpose of this part, less any amount withdrawn pursuant to Section 53553. The board shall execute any documents as required by the Pooled Money Investment Board to obtain and repay the loan. Any amount loaned shall be deposited in the fund to be allocated in accordance with this part.

53553. For the purpose of carrying out this part, the Director of Finance may, by executive order, authorize the withdrawal from the General Fund of any amount or amounts not to exceed the amount of the unsold bonds which the committee has, by resolution, authorized to be sold for the purpose of carrying out this part. Any amounts withdrawn shall be deposited in the fund. Any money made available under this section shall be returned to the General Fund, plus the interest that the amounts would have earned in the Pooled Money Investment Account, from money received from the sale of bonds which would otherwise be deposited in that fund.

53554. The bonds may be refunded in accordance with Article 6 (commencing with Section 16780) of the State General Obligation Bond Law. Approval by the electors of this act shall constitute approval of any refunding bonds issued pursuant to the State General Obligation Bond Law.

53555. Notwithstanding any provisions in the State General Obligation Bond Law, the maximum maturity of any bonds authorized by this part shall not exceed 30 years from the date of each respective series. The maturity of each series shall be calculated from the date of each series.

53556. The Legislature hereby finds and declares that, inasmuch as the proceeds from the sale of bonds authorized by this part are not “proceeds of taxes” as that term is used in Article XIII B of the California Constitution, the disbursement of these proceeds is not subject to the limitations imposed by that article.

53557. Notwithstanding any provision of the State General Obligation Bond Law with regard to the proceeds from the sale of bonds authorized by this part that are subject to investment under Article 4 (commencing with Section 16470) of Chapter 3 of Part 2 of Division 4 of Title 2 of the Government Code, the Treasurer may maintain a separate account for investment earnings, order the payment of those earnings to comply with any rebate requirement applicable under federal law, and may otherwise direct the use and investment of those proceeds so as to maintain the tax-exempt status of those bonds and to obtain any other advantage under federal law on behalf of the funds of this state.

53558. All money derived from premium and accrued interest on bonds sold pursuant to this chapter shall be transferred to the General Fund as a credit to expenditures for bond interest.
