### **AGENDA DESCRIPTIONS**

The agenda descriptions are intended to give notice to members of the public of a brief general description of items of business to be transacted or discussed. The posting of the recommended actions does not indicate what action will be taken. The Board may take any action that it deems to be appropriate on the agenda item and is not limited in any way by the notice of the recommended action. The President reserves the right to discuss the items listed on the agenda in any order.

### **REQUESTS AND PROCEDURES TO ADDRESS THE BOARD**

A member of the public has the right to address the Board on agenda items or on items of interest which are not on the agenda and which are within the subject matter jurisdiction of the Board. A member of the public will be allowed to address the Board when the item is called and before action is taken for a total of three (3) minutes per item, unless the President grants more or less time based on the number of people requesting to speak and the business of the Board. When members of the public address the Board on agenda items, the President determines the order in which speakers will be called.
