# LAND ACKNOWLEDGMENT

The Los Angeles County Law Library and its Board of Trustees recognize that we occupy land originally and still inhabited and cared for by the Tongva, Tataviam, Serrano, Kizh, and Chumash Peoples. We honor and pay respect to their elders and descendants — past, present, and emerging — as they continue their stewardship of these lands and waters. We acknowledge that settler colonization resulted in land seizure, disease, subjugation, slavery, relocation, broken promises, genocide, and multigenerational trauma.

This acknowledgment demonstrates our responsibility and commitment to truth, healing, and reconciliation and to elevating the stories, culture, and community of the original inhabitants of Los Angeles County. We are grateful to have the opportunity to live and work on these ancestral lands. We are dedicated to growing and sustaining relationships with Native peoples and local tribal governments, including (in no particular order) the:

Ш	Fernandeno Tataviam Band of Mission Indians
	Gabrielino Tongva Indians of California Tribal Council
	Gabrieleno/Tongva San Gabriel Band of Mission Indians
	Gabrieleño Band of Mission Indians – Kizh Nation
	San Manuel Band of Mission Indians

# **MEMORANDUM**

**DATE:** July 24, 2024

**TO:** Board of Law Library Trustees

**FROM:** Katherine H. Chew, Executive Director

**RE:** Approval of New and Revised Job Descriptions

# **REVISIONS TO EXISTING JOB DESCRIPTIONS:**

# **Executive Director Management of Certain Positions:**

The former Deputy Director retired effective July 5, 2024, and currently this position remains vacant. The job description for this position includes the responsibility of direct supervision of the following: Director, Information Technology; Director, Collection Management Services; and Facilities Manager. In the absence of an acting Deputy Director, the Executive Director is actively supervising all three Directors, providing support, guidance, and management of their respective departments. Until such time a new Deputy Director is appointed, Staff recommends a revision of these job descriptions to include the Executive Director as the direct supervisor.

# Improving Opportunities for Professional Growth in Existing Positions:

Management would like to encourage the professional growth and advancement of employees who have demonstrated a willingness to develop new skills and to consider a long-term commitment to the Library in their career paths. With this in mind, Staff would like to revise two current job descriptions reflecting this as follows:

<u>Facilities Department</u>—Currently the Facilities Department has two Facilities Clerk positions with identical job descriptions. Both report to the Facilities Manager and are in the same salary range. Both positions would retain FLSA (Fair Labor Standards Act) non-exempt status and eligibility for representation by the union with the below revisions:

"Library Clerk" changed to "Library Clerk I, Facilities": The Library has recently filled one Facilities Clerk position with a new hire who has commenced employment on July 17, 2024. This is an entry level position and staff recommends the title be changed to "Library Clerk I, Facilities"

"<u>Library Clerk</u>" changed to "<u>Library Clerk II</u>, <u>Facilities</u>": Staff would like to elevate the second to "Facilities Clerk II" and revise the job description with additional responsibilities and duties with an increase in salary reflective of this change.

IT Department— The Library plans to update much of its IT and Cyber Security infrastructure. In doing so, staff would like to elevate an existing position to a "Senior" designation. The position will retain FLSA status of exempt and will continue as ineligible for union representation.

"IT Project Manager" Position changed to "Senior IT Project Manager" Position: This position continue to be responsible for the successful execution of IT-related projects within the Library. Added responsibilities will include responsibility for providing a reliable, accurate, responsive, efficient, safe and secure information systems platform for library service delivery and hands-on management and support for our LA Library Data Center in a heterogeneous computing environment. Duties include troubleshooting system and LAN/WAN problems, routine administration tasks, performance tuning, capacity planning, security administration, documentation, end-user support and software installs and upgrades.

# **New JOB DESCRIPTIONS:**

In keeping with the goal of upgrading the Library's IT infrastructure and Cyber Security systems, there is a need to build up the IT team beyond the current three employees. The Library would be better served by eliminating some positions in the IT and Facilities departments that have remained vacant with no active recruitment for many years. In turn, Staff recommends the creation of two new IT focused positions in their place. The creation of these two new positions would have a neutral effect on the budget with no increase cost by re-directing salary funds previously earmarked for the eliminated positions to these new positions. Responsibilities for each of these proposed new positions are as follows:

- 1. System Administrator I: Under the direction of the IT Director, provides IT support and maintaining the Library's network infrastructure, making sure that IT operations are running smoothly and efficiently. Responsible in updating hardware and software packages, revising documentation, installing computer and network systems, removing malware and other security threats, monitoring computer system back-ups and preventing data corruption. This position would be a FLSA exempt position with a union status of "ineligible for representation."
- 2. Web Developer/Database Administrator I: Under the direction of the IT Director, provides IT support to build, maintain, test and debug websites and applications thus maintaining the Library's network infrastructure, making sure that IT operations are running smoothly and efficiently. Also responsible for the design, programming, construction, and implementation of new websites and databases, as well as modifying existing websites and databases for the updates

and changes based on the Library's need. This position would be a FSLA exempt position with a union status of "ineligible for representation."

# **SUMMARY OF JOB DESCRIPTIONS TO BE REVISED OR ADDED:**

- 1. Director, Information Technology—supervisory change to Executive Director
- 2. Director, Collections Management Services—supervisory change to Executive Director
- 3. Facilities Manager---supervisory change to Executive Director
- 4. Library Clerk, Facilities -change entry level position to Library Clerk I, Facilities
- 5. Library Clerk, Facilities—change to Library Clerk II, Facilities, with added responsibilities
- 6. IT Project Manager—change to Senior IT Project Manager with added responsibilities
- 7. Systems Administrator-new IT position
- 8. Web Developer/Database Administrator-new IT position

The attached job descriptions reflect these and other minor proposed changes, in redline format.

#### MEMORANDUM

**DATE:** July 24, 2024

**TO:** Board of Law Library Trustees

FROM: Katherine H. Chew, Executive Director

Marcelino Juarez, Finance Director

**RE:** Review and Approval of Award of Contract for Financial Audit

#### **BACKGROUND**

It has been a number of years since proposals and bids were collected for the Law Library's annual audit services. Staff conducted a Request for Proposals and received three qualified responses. Staff recommends that Price Paige & Company be selected as the Library's auditors for fiscal year 2024 at a cost not to exceed \$24,400, with an option to extend for up to 2 additional years.

The RFP was posted publicly and over 20 firms were specifically invited to bid. Three qualified proposers responded. Attached is a matrix that evaluates each firm on the categories set forth in the RFP proposal. Each firm is rated on a scale of 1 to 5 (1 being the least descriptive/comprehensive and 5 being the most descriptive/comprehensive). A second matrix is provided comparing the costs for each proposal.

Staff believes that all of the responding firms have sufficient experience and are qualified to conduct the Library's financial audit. All reference contacts spoke highly of them and provided valuable information as to each firm's abilities and work values. However, staff recommends awarding the contract to Price Paige & Company who not only scored high on our evaluation but also offered a rate that is most sensitive to our FY2024-25 budget.

#### RECOMMENDATION

It is recommended that the Board award a contract for financial audit services to The Pun Group for fiscal year 2024 at a cost not to exceed \$24,400, with an option to extend for up to 2 additional years at the rates indicated in the proposal.

# MEMORANDUM

**DATE:** July 24, 2024

**TO:** Board of Law Library Trustees

**FROM:** Katherine H. Chew, Executive Director

**RE:** Review of Assembly Bill 170 (Revised Business and Professions

Code §6304) with Deliberation and Vote on Board of Trustees

Meeting Schedule

#### SUMMARY OF PAST AND PRESENT LANGUAGE OF §6304

California Business and Professions Code §6304 pertains to how often the board of trustees of a law library should meet in its governance capacity.

#### Prior to July 2, 2024, this section provided as follows:

"Each board of law library trustees shall meet regularly each month on such day as it shall appoint, but if it appoint no day, it shall meet on the first Tuesday after the first Saturday of each month, and any board may meet at such other times as it may appoint, at a place to be designated for that purpose. The president of the board may call a special meeting at any time for the transaction of necessary business. A majority of the members constitutes a quorum for business, and an affirmative vote of a majority of the members is required to exercise the powers of the board."

On August 10, 2023, the Executive Director of the San Diego Law Library advised members of the Council on California County Law Librarians that his Board of Trustees was interested in meeting less frequently than the monthly schedule as defined by statute. His Board directed him to reach out for input from other county law libraries concerning their meeting practices, and he learned not every board meets monthly. He prepared a short survey and asked members to respond so he could share the information with his Board members.

At its September 20, 2023 Board Meeting, the Trustees of the San Diego Law Library proposed a legislative change on the frequency of meetings under this section. According to minutes of that meeting, Trustee Judge Lisa Rodriguez expressed that, given the board's effective meetings, it would be appropriate to grant the board the discretion to determine the necessity of meeting more frequently than once per quarter. The San Diego Board ultimately passed a resolution seeking to change the language of §6304 to provide more flexibility in

Board meeting schedules. A number of their members worked with local legislative staff to put the matter before the Legislature. In May 2024, the proposed change was part of the Budget trailer process for Assembly Bill 170. The Governor recently signed Assembly Bill 170 on July 2, 2024.

#### As of July 2, 2024, Business and Professions Code §6304 provides as follows:

"Each board of law library trustees shall meet quarterly on a day it appoints, and any board may meet at other times as it appoints, at a place to be designated for that purpose. The president of the board may call a special meeting at any time for the transaction of necessary business. A majority of the members constitutes a quorum for business, and an affirmative vote of a majority of the members is required to exercise the powers of the board."

#### LA LAW LIBRARY CURRENT MEETING SCHEDULE FOR BOARD OF TRUSTEES:

Currently the Board of Trustees meets regularly each month on the fourth Wednesday from 12:15 pm to approximately 1:15 or 1:30 pm. Board members have generously dedicated their usual lunch hour on a given work day to attend these meetings for updates of Library affairs and to provide guidance to staff on a monthly basis. This schedule has allowed staff to provide the Board with recent tracking of Minutes, Financial Statements, and Lists of Checks and Warrants from the previous month. In addition, each monthly agenda allows staff to put before the Board any operational, managerial, or programming topics that may require discussion, deliberation, and adoption for short or long term planning, and in some cases, immediate implementation. The cadence of monthly meetings enables staff to inform the Board of the most recent activities related to community engagement, outreach, staffing, and collection development while keeping the list of discussion items at a manageable and reasonable level for the time allotted.

Historically, a calendar conflict has required the rescheduling of a meeting to assure the presence of a quorum. During the summer months, some cancellations have been necessary due to conflicts created by planned vacations. However, the monthly meetings have usually taken place as scheduled.

Meeting on a quarterly basis or less often could possibly provide Board members with more flexibility in their normal work schedules. To assure that less frequent meetings are productive, that members are fully informed, and that members are actively engaged in the decision-making process, staff anticipate the agenda would need to be more comprehensive to address the many issues facing the Library over a longer period between meetings.

#### **STAFF RECOMMENDATION:**

With the recent change to California Business and Professions Code §6304 mandating the Board meet quarterly with the option to meet other times as it appoints, staff recommends the Board deliberate and determine if it wishes to continue to meet once a month, or adopt an alternative schedule on a quarterly or other agreed upon meeting cadence.

RE: Presentation on Senate Bill 553 (Labor Code §6401.9) Workplace

Violence Prevention Plan at LA Law Library

#### **SUMMARY**

On September 30, 2023, the Governor signed into law Senate Bill 553 (SB553) to address concerns of increased incidents of violence in the workplace. The first of its kind nationwide, SB553 mandates almost all California employers to develop a comprehensive Workplace Violence Prevention Plan. The law was to take effect as of July 1, 2024 and has been codified in Labor Code §6401.9. The heart of SB 553 lies in the creation of a Workplace Violence Prevention Plan (WVPP). Staff will present an overview of key elements that include:

- Identifying responsible personnel
- Involving employees in plan development
- Identifying, evaluating and correcting hazards
- Coordinating plan implementation
- Reporting incidents internally and to law enforcement
- Communicating effectively with employees
- Responding to workplace violence emergencies
- Training employees
- Strict recordkeeping guidelines
- Post-incident response and investigation
- Regular plan review and updates
- Procedures to ensure compliance with the WVPP
