PROPOSED LAW

PROPOSED AMENDMENT TO ARTICLE XVI

That Section 8.3 is added to Article XVI thereof, to read:

SEC. 8.3. (a) School districts and community college districts shall receive supplemental education payments in the total amount of nine billion three hundred million dollars (\$9,300,000,000). These payments shall be in lieu of the maintenance factor amounts, if any, that otherwise would be determined pursuant to subdivision (d) of Section 8 for the 2007–08 and 2008–09 fiscal years. These payments are not subject to subdivision (e) of Section 8. These payments shall be made only from the Supplemental Education Payment Account, subject to the deposit into that account of the amounts necessary to make the payments. The operation of this section is contingent upon the establishment of the Supplemental Education Payment Account pursuant to subdivision (a) of Section 20.

(b) Commencing with the 2011–12 fiscal year, in addition to the amounts required to be allocated pursuant to subdivisions (b) and (e) of Section 8, the Legislature annually shall appropriate to school districts and community college districts the amount transferred to the Supplemental Education Payment Account pursuant to subdivision (h) of Section 20 in satisfaction of the supplemental education payments required by subdivision (a), until the full amount of the supplemental education payments required by subdivision (a) has been allocated pursuant to this section.

(c) (1) Of the appropriations made to school districts for the 2011–12 fiscal year pursuant to subdivision (b), an amount not exceeding two hundred million dollars (\$200,000,000) shall be available only for the purposes set forth in Section 42238.49 of the Education Code as that section read on March 28, 2009, as determined pursuant to the funding formula set forth in that section.

(2) The remaining amount of the appropriations made to school districts for the 2011–12 fiscal year pursuant to subdivision (b), and all of the appropriations made to school districts pursuant to subdivision (b) for each subsequent fiscal year, shall be allocated as an adjustment to revenue limit apportionments, as specified by statute, in a manner that does not limit a recipient school district with regard to the purposes of the district for which the moneys may be expended.

(d) All amounts appropriated in a fiscal year pursuant to this section shall be deemed allocations to school districts and community college districts from General Fund proceeds of taxes appropriated pursuant to Article XIII B for that fiscal year, for purposes of determining, in the following fiscal year, the amount required pursuant to paragraph (2) or (3), as applicable, of subdivision (b) of Section 8.
